"Babe, I told you not to test that stupid thing!" Astrid Hofferson scolded her boyfriend, applying pressure on the rag on his forehead.

"Ow... Astrid! Not so hard!" She winced at his cry.

"Oh, sorry! Are you still hurting anywhere?" Hiccup smirked at this question, then slightly pouted.

"Well my lips are still a little swollen," he puckered his lips, hoping to get a kiss.

"Haha, very funny, Mr. Smooth," she laughed, throwing the cloth in his face. "No seriously, are you hurting anywhere?" She asked as an overprotective girlfriend.

"Gah! Yeah! It hurts that my girlfriend won't kiss me!" He crossed his arms over his chest.

She giggled a bit and pouted back. "Yeah, and it hurts me that my boyfriend thinks I'd fall for that 'Mr. Smooth' stuff,"

"You love it, don't deny it," he argued.

She crossed her arms across her chest, rolling her eyes. "Yeah, right," she tried to avoid the blush, but couldn't.

"Yeah, you love it when I'm not shy," he smiled as he pulled her on the bed with him.

She laughed and screamed as he started attacking her with tickles.

"No! Hiccup... St-stop! Stop ti—" she lost it and laughed uncontrollably.

"I'm sorry, what was that, Milady?" He giggled while she laughed. "I couldn't hear you over your laughing,"

She finally fought back and tickled him.

"Ast...Astr—" he tried to say her name, but failed and laughed, which made Astrid giggle.

"Give up yet?" Astrid continued to tickle him.

"N-never!" Hiccup struggled to get his divine beauty off of him.

"Hey Hiccup?" Astrid finally stopped tickling him, but continued to sit on him.

"Hey Astrid," he smirked as she rolled her eyes.

"Still want that kiss?" His emerald green eyes were like saucers.

"Yes!" The 19 year old Viking puckered his lips.

She jumped off of him.

"Then come and get it!" Then his divine beauty was gone just like that.

And man, he couldn't think of any other girl to be with.
